How to set up your NMC Online account

From April 2016 all registered nurses and midwives will be required to undergo revalidation.

In preparation for this process all registrants need to set up an account on NMC Online, so here’s what you need to do...

1. Go to: http://www.nmc.org.uk/registration/nmc-online/

2. E-mail verification

3. Fill in these sections

4. Your e-mail will look like this...

5. Once you confirm your e-mail address, it will take you back to NMC Online

6. You can now log in

7. Check out the following to get ready for revalidation...
