

Children's Community Nursing Team - Bury

An information guide

Who are we?

The Children's Community Nursing Team consists of Registered Children's Nurses with hospital and community experience. The team structure comprises of a Team Lead, a Specialist Diabetes Nurse, a Complex Needs Nurse, Senior Nurses, Staff Nurses, Health Care Support Worker and an Administrator.

We work with parents/carers within the Bury area to provide nursing care, support and health education for Children and Young People aged 0 to 18 years (19 years if complex, in full time education or under a paediatric consultant).

Our aim

We aim to ensure the child or young person can receive nursing care and treatment in the community setting for both acute and chronic conditions which can be delivered either at home or in one of our children's clinics dependent on their needs.

Our service

The Children's Community Nursing Team can provide a range of treatments and include the following examples:

- Intravenous Medicines/Injections
- Wound care
- Post-operative care
- Nasogastric tubes (NGT) and gastrostomies
- Complex needs
- Management of respiratory conditions
- Management of eczema
- Management of constipation
- Support with Epilepsy Management
- End-of-Life and Palliative care
- Oncology

If you would like us to see a child who does not fit into any of the above categories please contact us to discuss the required care.

Who can refer?

We accept referrals by phone, fax, e-mail and letters from all community and hospital health professionals (GP, consultant, Health Visitor, School Nurse)

When are we available?

We are available seven days per week, 365 days a year between 8am and 8pm. If you require medical advice out of hours, for non-emergency urgent care please call NHS 111. **In an emergency dial 999 or attend your nearest A&E.**
