

# STAY CONNECTED

As we have restricted visits to our hospitals for the time being, we want to do everything we can to keep our patients connected with their loved ones.

Here are some of the ways the Northern Care Alliance are helping families stay connected:

## Letter to your loved one

You can email a letter with a picture to: [sendaletter@srft.nhs.uk](mailto:sendaletter@srft.nhs.uk) if you have loved ones at Salford Royal

[sendaletter@pat.nhs.uk](mailto:sendaletter@pat.nhs.uk) if you have loved ones at The Royal Oldham Hospital, Rochdale Infirmary or Fairfield General Hospital.

The letter will be printed off and taken to your loved one.

## Patient property – drop off service

Monday to Friday 8am – 4pm at each hospital site (8am - 8pm at Oldham) you can drop off a property package at main entrances (patient/visitor entrances) and this will be taken up to the ward for you.
