

BREASTFEEDING SUPPORT IN BURY

Bury Community Services and Bury Children's Centres are committed to promoting and supporting breastfeeding. Breastfeeding support groups are available throughout Bury and are run from the Children's Centres. Trained breastfeeding peer supporters are available in the breastfeeding groups to offer support and information. The groups offer an informal relaxed atmosphere and provide an opportunity to meet other breastfeeding parents. Perspective parents are very welcome to attend. For details of your local breastfeeding support group please contact your local Children's centre.
